Re: Freedom of Information Act Request 06-FOI-00511-10

Dear Ms. Wilke:

This is in response to your Freedom of Information Act (FOIA) request dated August 16, 2010, for information regarding Arkwood, Inc. Superfund site (ARD084930148), located south of the city at Crickett Railroad Junction, Omaha, Arkansas 72662. Specifically, your request states that you are interested in obtaining copies of any correspondence between the U.S. Environmental Protection Agency and anyone other than McKesson Corporation regarding the site.

In compliance with your request, we are enclosing all known responsive EPA Region 6 Superfund Program documents on a Compact Disc (CD). The documents contained on the CD are in Adobe Systems Inc.'s common Portable Document Format™ (PDF). The viewer is included on the CD, as is additional supporting documentation, if needed.

If you should have any questions or need additional information, please contact me at (214) 665-6659. The Region 6 Freedom of Information Officer will bill you at a later date.

Sincerely,

A handwritten signature in cursive script, appearing to read "Ida Gilleland".
